

CrossHeirs Dove Hunt Lodging Update!

Hey Gang,

Here's the scoop. We have acquired lodging for everyone that would like to come over Friday afternoon. Brice Holland, the Two Moons Hunting coordinator, has made available a 4500 sq. ft. remodeled barn that has all the necessary facilities (bathrooms & a/c). There is a 25 acre lake that we can fish in and also a trap range at \$4.00 per 25 clays so you can warm up your shooting skills. The cost for staying overnight will be \$15.00.

You will need to bring a cot, your bedding, a few hotdogs/buns, drinks, etc. for the evening roast on the fire, and maybe some donuts and snacks for your breakfast. Lunch will be provided by the ministry. The CrossHeirs staff will be staying there also so come hang out with us.

Private rooms are available in the main lodge at \$65.00 for single and \$70.00 for doubles. For the private rooms you will need to book through Two Moons by calling 501-255-6732.
